

1.2. Academic Flexibility

1.2.3. Average percentage of students enrolled in Certificate/ Add-on programs against the total number of students during last five years

Response

We have been encouraging our students continuously to participate in student centric teaching learning process as a part of which we encourage students to learn some pharmacy course concept on SWAYAM-NPTEL. This year few students of our institute have enrolled for some courses and details of which are given below
