Student Satisfactory Survey 2023-2024

Using a custom questionnaire with 21 questions covering a variety of teaching-related topics, a student satisfaction survey for the academic year 2023-2024 was conducted online. Assessments and learning. Thus, a component of the survey allows students to express their opinions and make suggestions for improving their educational experience at the school. The poll was administered online using a Google form with 21 questions. Several students What's App groups made the survey link available. In order to spread the word about the poll and entice children to take part, teachers and parents were essential.
