Policy Document on the Green Campus /Plastic Free Campus

POLICY DOCUMENT ON THE GREEN CAMPUS /PLASTIC FREE CAMPUS

The green campus concept offers an institution an opportunity to take the lead in redefining its environmental culture and protect the ecosystem. The Green Campus and Environment Policy will develop exciting new co-curricular and extracurricular practices that encourage students and staff to take the lead in creating positive change. Jijamata Education Society's College of Pharmacy, Nandurbar, is conscious about environment conservation with its green campus initiatives and maintains pollution free and clean campus.

Main focus areas for Green Campus Policy are:

1. Landscaping Initiatives with trees and plants
2. Clean campus Initiatives
3. Clean Air Initiatives
4. Water Conservation through Rain Water Harvesting System
5. Waste Management Processes
 - a) Liquid waste management
 - b) Solid waste management
 - c) E-waste management
6. Environment Centric Awareness Activities
7. Green Audit
8. Energy Audit

Objectives of the Policy:

- To integrate environmental concerns into policies, plans and programs for social development.
- To protect and conserve ecological systems and resources within the campus.
- To ensure efficient use of environmental sources to meet the needs and aspirations of the present and future generations.
- To make the campus plastic free.
- To conduct Environmental and Energy audit.

1. Landscaping Initiatives with trees and plants

Sustainable infra structure is a vital part of the college campus, providing space for study, play, outdoor events, relaxation and aesthetic appreciation. Green campus and landscape also helps to recharge ground water, clean and cool air in campus. There are number of trees, shrubs, medicinal plants on campus along with grass cover. Green cover of college is home for number of insects and bird species.

2. Clean Campus Initiatives

In accordance to Swachh Bharat Abhiyan, College has committed to actively coordinate cleanliness activities in the college and beyond the campus. A gardener and full time adequate supporting staff are appointed for the maintenance of litter free clean and Green Campus. These initiatives include:

- Generating mass awareness on cleanliness and hygiene amongst students and staff members by holding regular cleanliness drives.
- Teaching faculties and staff members are encouraged to participate in the cleanliness drives.
- Commit to manage waste and maintain clean campus especially during college events.
- Conduct various Environment awareness days and tree plantation program.

3. Clean Air Initiatives

College encourages student and staff to use public transportation. Also encourage for carpooling, an activity that will control air pollution and strengthen social interaction. Smoking and burning of garbage strictly prohibited in campus. The abundant natural landscape cleans the air in campus.

4. Water Conservation through Rain Water Harvesting System

College has committed to replenish the groundwater table by practicing rainwater harvesting. This practice helps in the replenishment and recharge of the groundwater.

5) Waste Management Processes

a) Liquid waste management

- Continued employment of a caretaker to take immediate steps to stop any water leakage through taps, pipes, tanks, and toilet flush etc.
- By treating waste water generated in washrooms through Sewage Treatment Plant (STP).

b) Solid waste management

PRINCIPAL

Jijamata Education Society's
College of Pharmacy
Maghoda Road, Nandurbar

The college will adopt practices to mitigate the generation and manage solid waste through the following methods:

- Systematically engage with the 3Rs (Reduce, Reuse and Recycle) for eco -friendly environment.
- Collect paper waste in campus and sent for recycling
- Take initiatives to spread awareness among students about:
 1. Food wastage and ways of minimizing it
 2. Minimizing the use of packaged food
 3. Use of degradable waste for composting purpose.
- c) E-waste management

College ensures that its usage of technology and generation of e-waste does not impact the environment. For this purpose, the college plans to strive towards:

- Awareness amongst students about reduction of e-waste and making provisions for environment friendly disposal
- E-waste is given to external agencies for recycling purposes.

6) *Environment Centric Awareness Activities*

College encourages awareness programs, plantation program, and Cleanliness drive in and beyond the campus, Celebration of Various Environmental days.

7) *Green Audit* The College aims to conduct a Green Audit to assess strengths and weaknesses for long- term sustainability. A green audit is a useful tool to determine how and where most energy or water resources are being used. The college can then consider how to implement changes and make savings. It can determine the type and volume of waste. Green auditing will promote financial savings through reduction in the use of resources. It is imperative that the college evaluate its own contributions toward a sustainable future.

8) *Energy Audit*

An Energy Audit is carried out to reduce carbon foot print. The energy audit, with its specialized tools will identify wastage of energy. Such an inspection often reveals several different flaws which cause a loss of significant amounts of energy which the college will not be able to detect. These flaws often have easy and affordable solutions and provide significant savings.

Activity Report 2023-24

Title of Activity/Event: "TREE PLANTATION PROGRAM"

Date(s): 07/12/2023

Time: 10:30 AM

Venue: Jijamata Education Society's College of Pharmacy, Nandurbar (College Campus-Medicinal Garden)

In Charge of Activity: Prof. Vinod A. Chaure

Objective of Activity: The purpose of tree plantation is to save the endangered environment.

No. of Staff & Students Participated: 38

Description of Events: Jijamata Education Society's College of Pharmacy, Nandurbar organized tree plantation. In this programme students were actively participated and understand the importance of tree plantation.

Outcome of Events: Student and faculty members create awareness about Tree plantation. Trees contribute to their environment over long periods of time by providing oxygen, improving air quality, climate amelioration, conserving water, preserving soil, and supporting wildlife.
